Coordinator Council

Want to share your opinions, network with other coordinators and share ideas? Join our new Coordinator Council! We are forming a Coordinator Council of interested workplace campaign coordinators to help us with planning the 2010 United Way campaign. This is a great opportunity to share with us how we can help you with your campaigns and offer an opportunity to meet other coordinators and exchange ideas. The council will meet on a quarterly basis year-round. Interested in joining, [e-mail](#) us!

2009 Campaign GOAL MAP Sept. 10 - Dec. 10

The figure represents what has been raised as of November 2, 2009. The amounts represented on the map are courtesy of fundraising efforts by the entire county, not just one community.

THANK YOU LOYAL CONTRIBUTORS!
