2009 Campaign Update

October 7, 2009 | ISSUE 8

New Items

Donor Drawing:

Don't forget! This year all donors are entered into a drawing for a chance to win prizes. Make sure your employees are aware of the prize drawing by posting flyers around your workplace. Click [here](#).

United Way Placemat:

Looking for something different for a luncheon? Check out our new United Way placemats. Print to a 11"x17" paper for an easy advertising piece to educate employees about United Way. They can even be personalized with your own logo! Click [here](#) for the Leaders in Giving event placemat.

2009-10 Program Allocations:

Are you receiving questions from employees about what programs are funded by United Way? Click [here](#) for a complete list of funded programs, including descriptions of services and amount of funding.

Campaign Highlight: Diebold, Inc.

Diebold kicked off their campaign September 24 with a fall festival that raised \$5,140 for United Way of Greater Stark County! The event included a talent contest, 50/50 drawing, raffles, dunk tank and art sale. Read more in The Repository at <http://www.cantonrep.com/communities/jackson/x1699598038/Talent-show-starts-United-Way-drive>. The following day they held their first annual Diebold/United Way golf outing and raised an outstanding \$13,825! Each local Diebold location has been holding employee luncheons and featuring United Way and agency speakers to talk about where donations go in the community. They will continue to hold fun events throughout their campaign to benefit United Way such as 50/50 raffles, bake sales and more! Mark your calendars for October 8 when they hold a United Way benefit party at Arcadia Grille. Thanks to the Diebold campaign coordinators and the golf outing committee members and sponsors for their support!

Thanks to everyone who has been participating in our United We Dine days throughout the community! Our first three events at Papa Gyros, Max & Erma's and Damon's raised \$385.11. Carpe Diem Coffee Shop is participating this week and Quizno's (downtown location) will be participating later this month. Let your employees know to mention United Way and a portion of their sales will go to United Way!

Idea Corner:

Planning on holding a leadership campaign at your organization and looking for a new to engage employees? Consider holding your meeting off-site at one of our partner agencies where your leadership candidates can hear a presentation and take a tour of the facility.
